### Experience

Freelance Graphic Designer  
*Kimberley Lawrence Design*  
January 2019-

Working with varying clients to create unique communication solutions for business and personal needs such as branding, websites, website maintenance, printed material and digital/social advertising.

Cake Decorator and Instructor  
*CW Cakes*

February 2012 - January 2015

Liaising with clients, creating and designing unique cakes for special occasions. I was also an instructor, teaching novice to advanced cake decorators current cake trends, and designing classes to excite and inspire.

Owner/Operator  
*Mudpies and Pat-a-cakes*

October 2010 - February 2013

As the owner of the business, I was responsible for all aspects, from client liaison, designing and making cakes, stock management and deliveries to marketing and branding the business including, website and brochure design.

Cake Decorator  
*Special Treats by Carolyn*

January 2007 - October 2010

Client liaison, designing and making one-off cakes to exceed the needs of the client while meeting budgetary requirements and the high standards of the company within strict time frames.
